Land: PFC Committee update on possible land acquisitions. Discussed multiple parcels throughout town.

Building Design: Chief French updated the committee on his meeting with the architect. Plans presented included existing conditions as well as two options. First option was first rendering that was refined into the Second Option. Committee took notes on what was possible to modify. Chief French outlined the flow process and reasoning for the layout of the station. Existing as is conditions approx. 3600 sq ft and proposed layout of new one would be approx. 7600 sq ft. 20-25 parking spaces would be ideal. Significant conversation in per square foot construction costs for commercial.

Blomback to follow up with architect and get rough elevations, roof system, design considerations for value, possible sq ft costs of construction.

Future meetings: Discussion pivoted to new night and fourth Tuesday of each month. 6:00 pm start time.

No new business. No meeting in December.
