CRANEY HILL FIRE TOWER

The Craney Hill Fire Tower Association has been opening and restoring the historic tower since 1997 when they rescued it from a proposal to tear it down and put a cell tower in its place.

The tower is open the second and third weekend in October every year. This year those days are **Saturday October 8th, and Sunday October 9th, as well as Saturday October 15th, and Sunday October 16th.** The tower will be open from **10am till 4pm** on these 4 days and there will be a volunteer in the tower to answer any questions and help point out interesting nearby viewings.

The Craney Hill Fire Tower is owned by the Town of Henniker and managed and restored by volunteers and generous private donations. The tower was originally a state run forest fire lookout and used actively from 1938 to 1980 when it was given to the Town of Henniker.

Ghosts and Goblins of Henniker will be knocking on your door in search of candy! Monday, October 31st 5:30pm to 7:30pm

TEEN CENTER

Open every Friday from 7-9 pm

We welcome all 7th & 8th graders to attend with friends and enjoy games, pool, air hockey, music, playing Wii or just hanging out with one another.

The Teen Center has a closed door policy which means once a teen enters they cannot leave without a parent/guardian picking them up. Our closed door policy can be changed with a note signed by a parent/guardian authorizing the child to leave on their own.

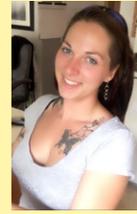

Registrations are required for teens to attend the Teen Center for emergency protocols. [Click here](#) for a Teen Center Registration Form.

Volunteers are always needed to help provide a fun, safe place for

TOWN OF HENNIKER EMPLOYEE
KRISTEN BERGERON

Kristen started working for the Town of Henniker four years ago as a temporary employee. A year later she was hired as a part-time Transfer Station Attendant. In October 2015, Kristen became a full-time employee at the Transfer Station and is a DES certified Solid Waste Operator. She operates the skid steer, backhoe, and 1 ton truck and also educates residents on recycling options and solid waste disposal.

Kristen is married and lives in Weare with her husband and 3 children and was a full-time stay-at-home Mom before coming to work for the town. She loves to camp and fish with her family.

Thank you Western Ave Pizzeria for sponsoring Henniker Employee Spotlight!

SUNDAYS AT THE LIBRARY - October 2nd at 2:00pm. Denise Getts will share photos from her recent trip to California where she successfully climbed Mt. Whitney and hiked the John Muir trail system. She will demonstrate to audience members how to manipulate these digital images, sharing with family and friends through APPS such as Snap Chat and Instagram.

SUNDAYS AT THE LIBRARY - FAMILY EDITION - October 16th at 2:00pm. Matt French, Marek Bennet, Lynn Piotrowicz, and Erin Longan will entertain the audience with police tales, music, puppets, and the Tucker Free Library ghost stories.

SUNDAYS AT THE LIBRARY - October 30th at 2:00pm. Mentalist Preston Heller will demonstrate his enhanced psychic abilities, telekinesis, sixth sense, telepathy and even the occasional inexplicable physical illusion. Remember, not even your most "Well Guarded Secrets" are safe! The show is spiced with a lot of sophisticated humor and is more appropriate for an adult audience.

TED TALKS - October 13th at 11:00am. Join library staff and White Birch seniors for an engaging conversation about issues that matter to our community. Our first TED Talk will feature Anand Giridharadas: A Tale of Two Americas. And the mini-mart where they collided. The author of "The True American," tells the story of in parable for about the two paths an American life can take and offers a powerful call for reconciliation.

All programs are at the Tucker Free Library, 31 Western Ave,
Henniker. For more information contact us at 428-3471 or check

TIPS ON HANDLING HAZARDOUS WASTE

Purchase

- Read the label.
- Buy only what you need.
- Buy non-aerosol products.

Use

- Use nontoxic alternatives.
- Never mix products!
- Use only the recommended amounts.
- Follow all directions.
- Wear protective clothing.

Storage

- Store in a cool, dry, safe place.
- Close containers securely.
- Keep products in their original containers,
with labels intact!

Disposal

- Use up the product so there is no need to
dispose of left-over.
- Donate leftover paints and products to local
service organizations.
- Never pour harmful chemicals down the drain!
- Recycle used motor oil, and car batteries,
free at the Transfer Station.
- Tires at a cost.

SOME RECIPES FOR LESS HAZARDOUS ALTERNATIVE HOUSEHOLD CLEANERS

Using these alternatives will reduce the need for hazardous chemicals.

OVEN CLEANER—Soak up a spill with salt while oven is still warm. Scrape away spill when oven cools. For tougher spots, make a paste of baking soda and water, apply to oven surfaces and let stand. Use scouring pad.

DRAIN CLEANER—Pour 1/4-cup baking soda followed by 1/2-cup vinegar. Let it bubble for a few minutes then flush with boiling water. This recipe will free minor clogs and is a great preventative measure.

WINDOW CLEANER—Mix 1/2-cup vinegar, a few drops of liquid soap and 1 qt. warm water in a spray bottle. Rub with a lint-free cloth and polish with a wadded up newspaper.

BATHROOM CLEANER—Sprinkle baking soda on porcelain fixtures and rub with sponge. Add a little soap to the sponge for more cleaning power. Rinse well to avoid leaving a hazy film.

TOILET BOWL CLEANER—Use a non-chlorinated scouring powder or baking soda and soap to clean the toilet bowl. Don't bother with strong disinfectants or acids.

MULTI-PURPOSE FLOOR CLEANER—Use on asphalt, rubber, vinyl, and linoleum. Do not use on cork or wood floors. Mix 1/2-cup of chlorine bleach, 1/4-cup white vinegar, 1/4-cup baking soda to a gallon of warm water. Mix well and apply with a mop.

LATEX PAINTS ARE NOT HAZARDOUS — Check with your town's transfer station attendants for proper disposal instructions.

Alkaline batteries are no longer hazardous and can be disposed of in the regular trash.

October 1st.

Proceeds benefit Pine Ridge Reservation.

Pre-registration required; \$40/pp
jillanrandel@gmail.com; 603-253-2638
kristen@trendacupuncture.com; 505-428-3390

Restorative Yoga is a deeply relaxing style of yoga. Students utilize blankets, blocks, and bolsters to support gentle, floor-based postures. The practice helps calm the nervous system and emphasizes rest over movement. During this workshop, acupressure, somatic adjustments, and essential oils will be applied to carry the student into a state of blissful rest.
