

HIGHWAY HAPPENINGS

October 2016

- Cleaning of screens and pipes on Western Ave, River Rd, Colleague Pond Road, and Newton Road due to continuous beaver problems
- Grading of roads
- Tom Weston met with several representatives from US Army Corps of Engineer to discuss the work to be done to comply with license conditions of the US Army Corps of Engineer Land
- Clean-up of Army Corps land that abuts the Highway Department; removed sand, old asbestos pipe, and other materials that were on Army Corps land for 30 plus years that they wanted removed. Erosion control was put in place.
- Storm clean-up from multiple trees and limbs down due to the heavy wind and rain on October 22nd and October 23rd
- American Line Stripping Company repainted crosswalks and stop bars
- Prepped, inspected, and serviced trucks for winter
