

Henniker Concert Committee Minutes  
November 7, 2016

In Attendance: Ruth Zax, Ray Grande, Milli Knudsen, Blithe Reed

The minutes of the October meeting were read and approved.

The final draft of the report to the town was decided on, and plans for who would be able to attend the November 19th budget meeting were discussed. Since we are scheduled to appear at 10:20, it was decided that members will get to Town Hall by 10 AM. Ruth Zax will use the talking points gleaned from the surveys.

The 2017 calendar for use of the Congregational Church meetinghouse has not been posted yet, so we could not confirm the date of May 20th for the preview concert.

Several potential new members for the committee were mentioned and will be contacted.

Using the results from the two audience surveys from the summer, 5 groups were identified as ones to invite back for next year's series. Cheryl Morse had submitted a report about the groups she had been tasked with investigating. Those in attendance listened to music found online for about 8 more groups. It was decided to request further information and additional music samples from 3 of them.

Meeting was adjourned at 8:44 PM. Next meeting is scheduled for January 9, 2017 place to be determined.
