Hazard Mitigation Plan Update: The first meeting HMC meeting was held Monday April 29 the Town Office conference room with a link for people to participate remotely. The participants included appointed department heads or their delegate; invited stakeholders and interested members of the public. Tasks included:

- Review Declared Disasters and Public Assistance dollars to Henniker, 1973-2024
- Develop New Natural Hazard Identification and Risk Assessment (HIRA) Rating
- Group consensus activity- how intense will natural hazards be in 10 Years
- Begin to Identify RECENT PAST Hazard Events in Henniker, 2019-2024

The next work session is Monday May 13 at 9:00am at the Town Hall and virtual link.

ADJOURNMENT

The meeting concluded at 11 AM

Respectfully submitted,

Hank Bernstein
